

Tyler Memorial Scholarship Essay

Tyler lived life fully and courageously. He was known for his kindness, hard work, his willingness to help anyone who needed it, and the way he showed up for his family, friends, coworkers, and community without question. He had a servant's heart and an adventurous spirit.

In 700 words or less, tell us about yourself and explain how you embody these same qualities. Share examples of your hard work, kindness, service, leadership, or commitment to helping others, describe how those experiences have shaped who you are, and how you strive to live life fully.

Tell us about the skilled trade or career you plan to pursue after graduation, why you chose that path, and how this scholarship will help you achieve your goals. Explain how you would use the scholarship funds, whether for tuition, tools, equipment, certification or licensing fees, required training, books, or other education- or trade-related expenses.

We are looking for applicants who reflect the spirit with which Tyler lived his life, not through academic accomplishments, but through character, a strong work ethic, a willingness to help others, and by living life fully and courageously.

Please send your application response to Jamie@tkmarineinc.com.
